

GLENN COUNTY PARTNERS BRING YOU PROGRAMS 101 FOR FARMERS & RANCHERS

Come learn about the **financial assistance, technical support, and programs** available to help farmers and ranchers improve operations and implement new management practices. Local, state, and federal partners will be on hand to share resources and answer questions. Programs include:

- ◆ CDFA Healthy Soils Program, SWEEP, Conservation Planning
- ◆ Carl Moyer and FARMER Programs
- ◆ Farm Bill Programs: EQIP, CSP, NAP, TAP, ELAP, Farm Loans, etc.
- ◆ CAFF: Resources & Assistance for Small Farmers/Ranchers
- ◆ Cattlemen's Foundation: Rancher Technical Assistance Program
- ◆ RCD of Tehama County: Mobile Irrigation Lab
- ◆ Dudek/URCTA: SGMA Technical Assistance Program
- ◆ And more!

Partners will break down available programs and resources and explain how they may apply to your operation. You'll have the opportunity to talk one-on-one with technical advisors to ask questions, explore options, and decide what -if anything- makes sense for you.

Lizzeth Mendoza estará disponible para sus preguntas y traducción en español después de las presentaciones.
