July 20, 2026

KEY:

Question ## (received from public, reference ##)

- Response (provided by Glenn County RCD)

Question 1

Will there be a site pre-bid tour of the properties?

- Yes, since interest has been expressed, an **optional** pre-bid project site visit will be held on Thursday, July 23.
- EMAIL kandi@glenncountyrcd.org if you plan to participate.
- Participants will meet at Glenn County RCD, 132 N. Enright Avenue, Suite C, Willows, CA at 10:30 a.m. Attendees will visit **one** of the project properties.
- OR, you may do a self-drive to this location:
39°40'33.33"N, 122°42'41.27"W: <https://maps.app.goo.gl/iqAoAR9KqDQaGdD47>

- Please note the property that will be viewed is the closest project site (approx. 45 min drive time in standard vehicle from Willows). The farthest project property is approximately 2.25 hours drive time from Willows.
- The pre-bid project site is comparable to the other project sites.
- NO responses will be provided to any questions; QA period ended July 20, 2026.

Question 2

Is there a general map of the revegetation areas so we can get a sense of driving distances and scale?

- Yes, please see map in this document.

Question 3

Are there current access agreements in place for all 26 landowners?

- Yes.

Question 4 - (same questions)

A) Where is the CAL FIRE nursery relative to planting sites?

B) Which Cal-fire nursery location will the seedlings need to be picked?

- The trees will be available for pickup at the CAL FIRE L.A. Moran Reforestation Center in Davis, approximately 1.5 hours from Willows, CA.
- The selected contractor will be responsible for transporting the trees from the nursery to the planting sites.
- ADDRESS: The L.A. Moran Reforestation Center, 5800 Chiles Road, Davis, CA 95618

Question 5

Will a forester with Glenn RCD be responsible for selecting microsite planting locations or is that the contractor's responsibility?

- Glenn County RCD will provide the planting-unit boundaries, target spacing, trees-per-acre requirements, and other unit-specific prescriptions. The Contractor will be responsible for selecting the exact microsite for each seedling in accordance with **RFQ Tree Planting, Attachment A – Tree Planting Standards & Quality Requirements, Section 3.3, "Spacing and Microsite Selection."** Glenn County RCD staff will provide oversight and inspect the completed planting but will not pre-mark each individual planting location.

Question 6

Will the contractor need to water-in seedlings when planting?

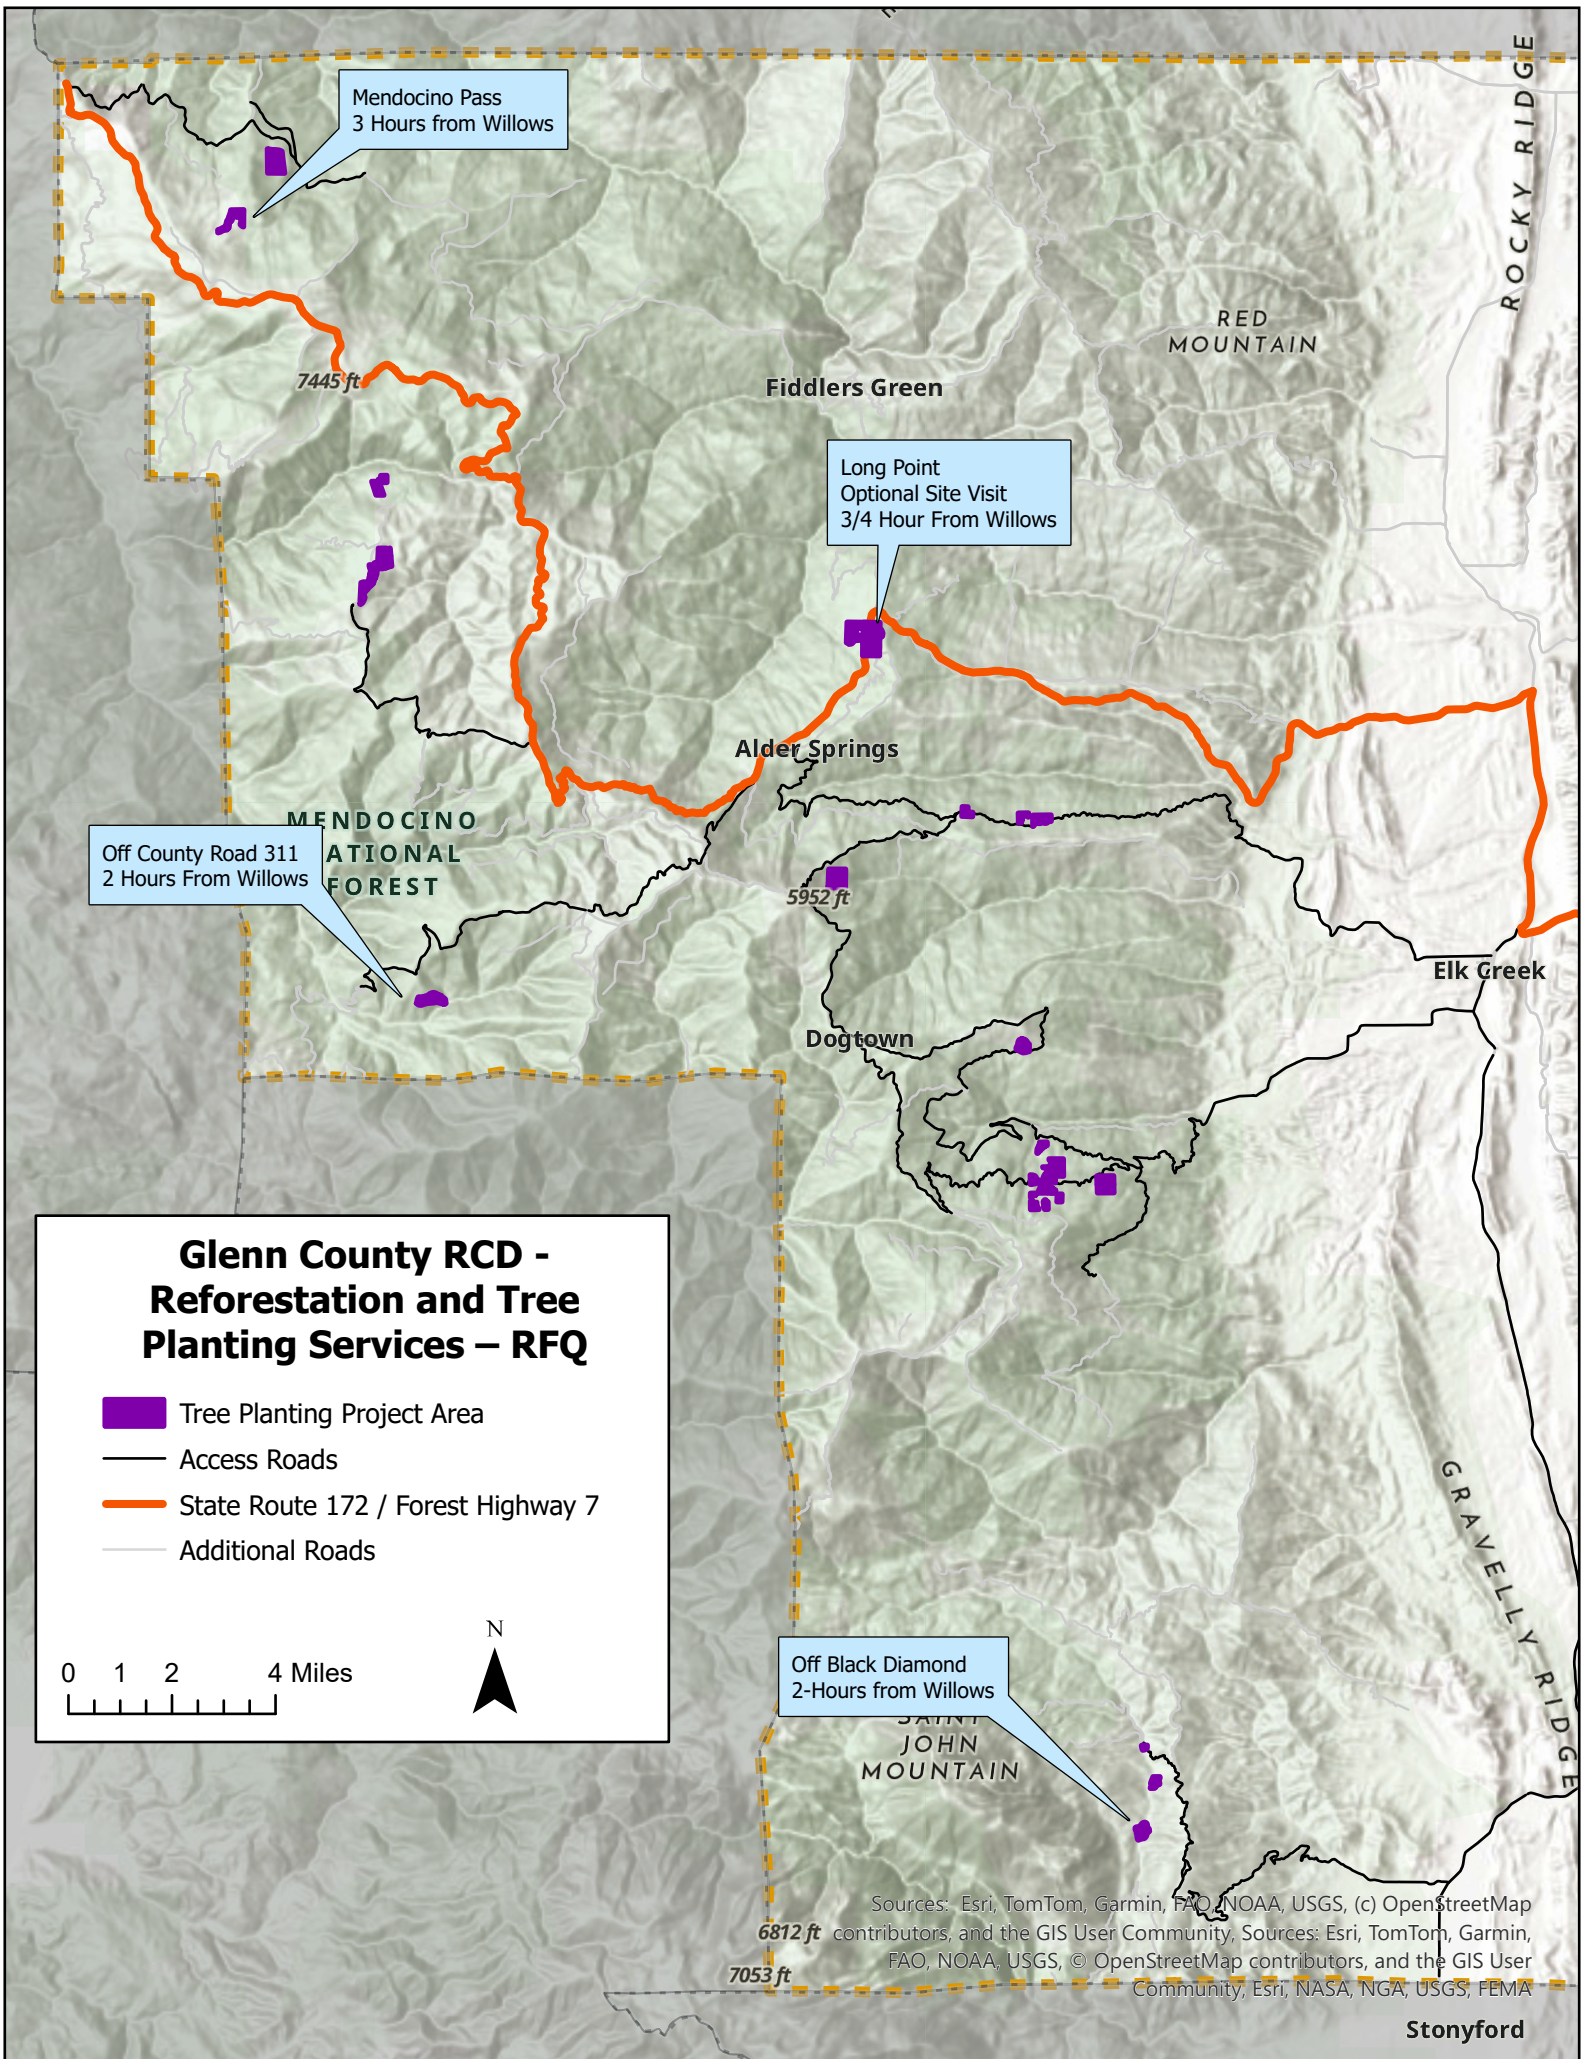

- No. The Contractor will not be required to water-in seedlings at the time of planting. Planting will be scheduled during the appropriate seasonal window, and seedling establishment will rely on natural rainfall. Any weather-related adjustments to the planting schedule will be coordinated with Glenn County RCD.

Question 7

Will survival monitoring and replanting be applicable to this contract? (page 20)

- Post-planting survival monitoring and replanting due to subsequent seedling mortality are not anticipated under this contract. However, the Contractor will be required to

correct or replant seedlings that fail to meet the planting standards or inspection criteria before acceptance and payment, at no additional cost to Glenn County RCD. See **RFQ Tree Planting, Attachment A – Tree Planting Standards & Quality Requirements, Section 5, “Inspection, Acceptance, and Corrective Action,” and Attachment C – Sample Planting Inspection Form.**
